Such Proceeds, when deposited, shall continue to be collateral security for all of the Secured Obligations and shall not constitute payment thereof until applied as hereinafter provided. Agent may, in its sole discretion, apply all or a part of the funds on deposit in said special account to the principal of or interest on or both in respect of any of the Secured Obligations in accordance with the provisions of **Section 7(e)** hereof, and any part of such funds which Agent elects not so to apply and deems not required as collateral security for the Secured Obligations shall be paid over from time to time by Agent to the Designated Grantor. If an Event of Default has occurred and is continuing, at the request of Agent, each Grantor shall deliver to Agent all original and other documents evidencing, and relating to, the sale and delivery of such Inventory and each Grantor shall deliver all original and other documents evidencing and relating to, the performance of labor or service which created such Accounts, including, without limitation, all original orders, invoices and shipping receipts.

Upon the request of Agent, each Grantor shall so notify such Account Debtors, parties to such Contracts, obligors in respect of such Instruments and obligors in respect of such Chattel Paper. Upon the occurrence and during the continuation of an Event of Default or Potential Event of Default, Agent may, in its name, or in the name of others communicate with such Account Debtors, parties to such Contracts, obligors in respect of such Instruments and obligors in respect of such Chattel Paper to verify with such parties, to Agent's satisfaction, the existence, amount and terms of any such Accounts, Contracts, Instruments or Chattel Paper.

**4. Representations and Warranties.** Each Grantor hereby represents and warrants to Agent and each Lender that:

(a) Except for the security interest granted to Agent under this Security Agreement and other Permitted Liens, such Grantor is the sole legal and equitable owner of each item of the Collateral in which it purports to grant a security interest hereunder, having good, marketable and insurable title thereto free and clear of any and all Liens other than Permitted Liens.

(b) No effective security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or any part of the Collateral exists, except such as may have been filed by such Grantor in favor of Agent pursuant to this Security Agreement or such as relate to other Permitted Liens.

(c) This Security Agreement creates a legal and valid security interest on and in all of the Collateral in which such Grantor now has rights, and all filings and other actions necessary or desirable to perfect and protect such security interest have been duly taken. Accordingly, Agent, for the benefit of Lenders, has a fully perfected first priority security interest in all of the Collateral in which such Grantor now has rights, subject only to the Permitted Liens. (e) All Collateral of such Grantor with respect to which a security interest may be perfected by the secured party's taking possession thereof, including, without limitation, all Chattel Paper and Instruments, are set forth on **Schedule I** attached hereto and incorporated herein by this reference. All action necessary or desirable to protect and perfect such security interest in each item set forth on **Schedule I**, including, without limitation, the delivery of all originals thereof to Agent, has been duly taken, except with respect to those Chattel Paper, Instruments or other documents evidencing obligations of non-material amounts payable to such Grantor. The security interest of Agent in the Collateral listed on **Schedule I** is prior in right and interest to all other Liens and is enforceable as such against creditors of and purchasers from such Grantor.

(f) The amount represented by such Grantor to Agent from time to time as owing by each Account Debtor or by all Account Debtors in respect of the Accounts of such Grantor shall at such time be the correct amount actually and unconditionally owing by such Account Debtors thereunder.

(g) All Copyrights, Copyright Licenses, Patents, Patent Licenses, Trademarks and Trademark Licenses owned, held or in which such Grantor otherwise has any rights are listed on the **Exhibit** attached hereto and incorporated herein by this reference. Such Grantor shall amend the **Exhibit** attached hereto from time to time within twenty (20) Business Days after the filing of any application for a Patent, Trademark or Copyright or the issuance of any Patent or registration of any Trademark or Copyright to reflect any additions to or deletions from this list.

(h) The names and addresses of all financial institutions and securities intermediaries at which each Grantor maintains its Deposit Accounts and Securities Accounts, as applicable, and the account numbers and account names of such Deposit Accounts and Securities Accounts, as applicable, are listed on the **Exhibit** attached hereto and are incorporated herein by this reference. Grantors shall amend the **Exhibit** attached hereto from time to time within twenty

(20) Business Days after opening any additional Deposit Account or Securities Account or closing or changing any account number or account name on any existing Deposit Account or Securities Account.

(i) None of the Patents, Trademarks or Copyrights has been licensed to any third party, except as set forth on the **Exhibit** attached hereto.

(j) To the best of each Grantor's knowledge, each issued Patent, Trademark and Copyright is valid, subsisting, unexpired and enforceable, and each Grantor has (i) as soon as practicable after the issuance of each Patent been using appropriate statutory patent marking practices in connection with its use of issued Patents; (ii) as soon as practicable after the issuance of each Trademark registration been using appropriate statutory notice of such registration in connection with its use of registered Trademarks; and (iii) placed an appropriate statutory copyright notice on all publicly distributed copies of copyrighted materials which are material to such Grantor's business.

(k) None of the Investment Property has been transferred in violation of the securities registration, securities disclosure or similar laws of any jurisdiction to which such transfer may be subject.

(l) All information provided by each Grantor in its Collateral Information Certificate as provided to Agent is correct, complete and accurate.

**5. Covenants.** Each Grantor covenants and agrees with Agent and each Lender that from and after the date of this Security Agreement and until the Secured Obligations have been completely and indefeasibly paid and performed in full:

**5.1 Further Assurances; Pledge of Instruments.** At any time and from time to time, upon the written request of Agent, and at the sole expense of Grantors, each Grantor shall promptly and duly execute and deliver any and all such further instruments and documents and take such further action as Agent may reasonably deem desirable to obtain the full benefits of this Security Agreement and of the rights and powers herein granted, including, without limitation, (a) using each Grantor's best efforts to secure all consents and approvals necessary or appropriate for the assignment to Agent of any Contract or License held by such Grantor or in which such Grantor has any rights not heretofore assigned, (b) filing any financing or continuation statements under the UCC or assignments with respect to intellectual property or federal law with respect to the security interests granted hereby, (c) filing or cooperating with Agent in filing any forms or other documents required to be filed with the United States Patent and Trademark Office, United States Copyright Office, or any filings in any foreign jurisdiction or under any international treaty, required to secure or protect Agent's interest in the Collateral, (d) transferring Collateral to Agent's possession (if a security interest in such Collateral can be perfected by possession), (e) placing the interest of Agent as lienholder on the certificate of title (or other evidence of ownership) of any vehicle owned by such Grantor or in or with respect to which such Grantor holds a beneficial interest, (f) entering into Control Agreements with depository institutions and securities intermediaries with which such Grantor opens new Deposit Accounts or Securities Accounts, as applicable, and (g) using its best efforts to obtain waivers of liens from landlords and mortgagees as required pursuant to the Credit Agreement. Each Grantor also hereby authorizes Agent to file any such financing or continuation statement

without the signature of such Grantor. If any amount payable under or in connection with any of the Collateral is or shall become evidenced by any Instrument, such Instrument, other than checks and notes received in the ordinary course of business, shall be duly endorsed in a manner satisfactory to Agent and delivered to Agent immediately upon such Grantor's receipt thereof.

**5.2 Maintenance of Records.** Each Grantor shall keep and maintain at its own cost and expense satisfactory and complete records of the Collateral of the type currently maintained, including, without limitation, a record of all payments received and all credits granted with respect to the Collateral and all other dealings with the Collateral. Each Grantor shall mark its books and records pertaining to the Collateral to evidence this Security Agreement and the security interests granted hereby. All Chattel Paper shall be marked with the following legend: "THIS WRITING AND THE OBLIGATIONS EVIDENCED OR SECURED HEREBY ARE SUBJECT TO THE SECURITY INTEREST OF IMPERIAL BANK AS AGENT FOR THE LENDERS UNDER THAT CERTAIN SENIOR SECURED CREDIT AGREEMENT DATED AS OF DECEMBER 2, 1999 AND THEIR RESPECTIVE SUCCESSORS AND ASSIGNS."

**5.3 Indemnification.** In any suit, proceeding or action brought by Agent or any Lender relating to any Account, Chattel Paper, Contract, General Intangible, Instrument or Document for any sum owing thereunder, or to enforce any provision of any Account, Chattel Paper, Contract, General Intangible, Instrument or Document, Grantors shall, jointly and severally, save, indemnify and keep Agent and Lenders harmless from and against all expense, loss or damage suffered by reason of any defense, setoff, counterclaim, recoupment or reduction of liability whatsoever of the obligor thereunder arising out of a breach by any Grantor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to, or in favor of, such obligor or its successors from any such Grantor, and all such obligations of Grantors shall be and remain enforceable against and only against Grantors and shall not be enforceable against Agent or any Lender.

**5.4 Compliance with Terms of Accounts, etc.** In all material respects, each Grantor shall perform and comply with all obligations in respect of Accounts, Chattel Paper, Contracts, Documents, Instruments and Licenses and all other agreements to which it is a party or by which it is bound.

**5.5 Limitation on Liens on Collateral.** Grantors shall not create, permit or suffer to exist, and shall defend the Collateral against and take such other action as is necessary to remove, any Lien on the Collateral, except (a) Permitted Liens and (b) the Lien granted to Agent under this Security Agreement. Grantors shall further defend the right, title and interest of Agent in and to any of each Grantor's rights under the Chattel Paper, Contracts, Documents, General Intangibles and Instruments and to the Equipment, Fixtures and Inventory and in and to the Proceeds thereof against the claims and demands of all Persons whomsoever.

**5.6 Limitations on Modifications of Accounts, Etc.** Upon the occurrence and during the continuation of any Event of Default, each Grantor shall not, without Agent's prior written consent, grant any extension of the time of payment of any of the Accounts, Chattel Paper and Instruments or amounts due under any Contract or Document, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof, or allow any credit or discount whatsoever thereon other than trade discounts granted in the ordinary course of business of such Grantor.

**5.7 Maintenance of Insurance.** Each Grantor shall maintain, with financially sound and reputable companies, insurance policies insuring (a) its Equipment, Fixtures and Inventory against loss by fire, explosion, theft and such other casualties as are usually insured against by companies engaged in the same or similar businesses and (b) such Grantor, Agent and Lenders against liability for personal injury and property damage relating to such Equipment, Fixtures and Inventory. Such policies are to be in such amounts and against at least such risk as are usually insured against in the same general area by companies of the same or a similar size engaged in the same or a similar business as such Grantor. Each Grantor, at its expense, shall obtain a loss payable endorsement (form BFU-438 or equivalent) to each such policy in favor of Agent on behalf of Lenders and satisfactory to Agent. Each Grantor shall, if so requested by Agent, deliver to Agent, as often as Agent may reasonably request, a report of a reputable insurance broker satisfactory to Agent with respect to the insurance on its Equipment, Fixtures and Inventory. All insurance with respect to the Equipment, Fixtures and Inventory shall (i) contain a clause which provides that Agent's and Lenders' interests under the policy shall not be invalidated by any act or omission to act of, or any breach of warranty by, the insured, or by any change in the title, ownership or possession of the insured property, or by the use of the property for purposes more hazardous than is permitted in the policy and (ii) provide that no cancellation, reduction in amount or change in coverage thereof shall be effective until at least ten (10) days after receipt by Agent of written notice thereof.

**5.8 Taxes, Assessments, Etc.** Each Grantor shall pay promptly when due all property and other taxes, assessments and government charges or levies imposed upon, and all claims (including claims for labor, materials and supplies) against, the Equipment, Fixtures or Inventory, except to the extent the validity thereof is being contested in good faith and adequate reserves are being maintained in connection therewith.

**5.9 Limitations on Disposition.** Each Grantor shall keep the Collateral separate and identifiable from other property located on the same premises as the Collateral and each Grantor shall not sell, lease, transfer or otherwise dispose of any of the Collateral, or attempt or contract to do so except as permitted by the Credit Agreement.

**5.10 Further Identification of Collateral.** Each Grantor shall, if so requested by Agent, furnish to Agent, as often as Agent shall reasonably request, statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as Agent may reasonably request, all in reasonable detail.

**5.11 Notices; Designated Grantor.**

(a) Each Grantor shall advise Agent promptly, in reasonable detail, of (a) any material Lien, other than Permitted Liens, attaching to or asserted against any of the Collateral, (b) any material change in the composition of the Collateral and (c) the occurrence of any other event which would have a material adverse effect on the aggregate value of the Collateral or on the Lien created hereunder.

(b) Each Grantor agrees that the Grantor designated to receive notices and payments on behalf of Grantors is Jamba Juice ("**Designated Grantor**"), whose address for purposes of this **Section 5.11** is as set forth in the Credit Agreement.

**5.12 Right of Inspection and Audit.** Upon reasonable notice to any Grantor (unless an Event of Default has occurred and is continuing, in which case no notice is necessary), Agent shall at all times have full and free access during normal business hours to all the books and records and correspondence of such Grantor relating to the Collateral, and Agent or any agents or representatives of Agent may examine the same, take extracts therefrom and make photocopies thereof, and each Grantor agrees to render to Agent, at Grantors' cost and expense, such reasonable clerical and other assistance as may be reasonably requested with regard thereto. Upon reasonable notice to any Grantor (unless an Event of Default has occurred and is continuing, in which case no notice is necessary), Agent and its agents and representatives shall also have the right (during normal business hours) to enter into and upon any premises where any of the Equipment, Fixtures or Inventory is located for the purpose of conducting audits and making physical verifications of such Equipment, Fixtures and Inventory and test verifications of the Accounts in any manner and through any medium that it considers advisable, and each Grantor agrees to furnish all such assistance and information as Agent may reasonably require in connection therewith. Each Grantor, at Grantors' expense, shall cause certified independent public accountants, reasonably satisfactory to Agent, to prepare and deliver to Agent the results of any physical verification of all or any portion of any Grantor's Equipment, Fixtures or Inventory and any test verification of any Grantor's Accounts made or observed by such accountants when and if such verification is conducted.

**5.13 Maintenance of Facilities.** Each Grantor shall maintain and protect its properties, assets and facilities, including without limitation, its Equipment and Fixtures in good order and working repair and condition (taking into consideration ordinary wear and tear) and from time to time make or cause to be made all needful and proper repairs, renewals and replacements thereto and shall competently manage and care for its property in accordance with prudent industry practices.

**5.14 Continuous Perfection.** Each Grantor shall not change its name, identity or corporate structure in any manner which might make any financing or continuation statement filed in connection herewith seriously misleading within the meaning of Section 9402(7) of the UCC (or any other then applicable provision of the UCC) unless such Grantor shall have given Agent at least thirty (30) days' prior written notice thereof and shall have taken all action (or made arrangements to take such action substantially simultaneously with such change if it is impossible to take such action in advance) necessary or reasonably requested by Agent to amend such financing statement or continuation statement so that it is not seriously misleading.

**5.15 Covenants Regarding Intellectual Property.**

(a) Each Grantor shall notify Agent immediately if it knows or has reason to know that any application or registration relating to any Copyright, Patent or Trademark which is material to the conduct of such Grantor's or any other Grantor's business may become abandoned, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office, or any court) regarding such Grantor's ownership of any Copyright, Patent or Trademark which is material to the conduct of such Grantor's business, its right to register the same, or to keep and maintain the same.

(b) Each Grantor shall take all commercially reasonable steps necessary to protect against any misuse, infringement, misappropriation, unauthorized use or abandonment of its Copyrights, Patents, Trademarks, or other Intellectual Property. Grantors' efforts pursuant to this section shall include, but not be limited to: (i) establishing prudent security measures and procedures governing access to, and use of, property protected by Copyrights, Trademarks or Patents or of Intellectual Property owned by such Grantor or developed by any Person on behalf of such Grantor; (ii) establishing and maintaining in force any agreements with employees and consultants or any written terms of employment, as are customarily used in such Grantor's industry for the protection of Intellectual Property; and (iii) vigorous enforcement of such Grantor's rights in any Intellectual Property.

(c) In no event shall any Grantor, either itself or through any agent, employee, licensee or designee, file an application for the registration of any Patent or Trademark with the United States Patent and Trademark Office, any Copyright with the United States Copyright Office, or any similar office or agency in any other country or any political subdivision thereof unless it promptly informs Agent and, upon request of Agent, executes and delivers any and all agreements, instruments, documents, and papers as Agent may request to evidence Agent's security interest in such Copyright, Patent or Trademark, including, with respect to Trademarks, the goodwill represented thereby.

(d) Each Grantor shall (i) promptly make application to register any copyrightable or patentable property or trade name or trademark of such Grantor which is material to its business, including the most recent version of such Grantor's existing Copyrights, if not so already registered; and (ii) take all necessary action to maintain and pursue each application (and to obtain the relevant registration) and to maintain the registration of each of the Copyrights, Patents and Trademarks which is material to the conduct of such Grantor's business, including, without limitation, the filing of applications for renewal, affidavits of use, affidavits of noncontestability and opposition and interference and cancellation proceedings.

(e) In the event that any Copyright, Patent or Trademark is infringed, misappropriated or diluted by a third party, the affected Grantor, or any other Grantor becoming aware of the same, shall notify Agent promptly after such Grantor learns thereof and shall promptly take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Copyright, Patent or Trademark.

## **6. Agent's Appointment as Attorney-in-Fact.**

(a) Each Grantor hereby irrevocably constitutes and appoints Agent, and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, from time to time at Agent's discretion, for the purpose of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute and deliver any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do the following:

(i) to ask, demand, collect, receive and give acquittances and receipts for any and all monies due or to become due under any Collateral and, in the name of such Grantor, in its own name or otherwise to take possession of, endorse and collect any checks, drafts, note, acceptances or other Instruments for the payment of monies due under any Collateral and to file any claim or to take or commence any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Agent for the purpose of collecting any and all such monies due under any Collateral whenever payable;

(ii) to pay or discharge any Liens, including, without limitation, any tax lien, levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Security Agreement and to pay all or any part of the premiums therefor and the costs thereof, which actions shall be for the benefit of Agent and Lenders and not Grantors; and

(iii) to (1) direct any person liable for any payment under or in respect of any of the Collateral to make payment of any and all monies due or to become due thereunder directly to Agent or as Agent shall direct, (2) receive payment of any and all monies, claims and other amounts due or to become due at any time arising out of or in respect of any Collateral, (3) sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other Instruments and Documents constituting or relating to the Collateral, (4) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral, (5) defend any suit, action or proceeding brought against any Grantor with respect to any Collateral, (6) settle, compromise or adjust any suit, action or proceeding described above and, in connection therewith, give such discharges or releases as Agent may deem appropriate, (7) license or, to the extent permitted by an applicable license, sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Patent or Trademark throughout the world for such term or terms, on such conditions and in such manner as Agent shall in its discretion determine, and (8) sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Agent were the absolute owner thereof for all purposes, and to do, at Agent's option and Grantors joint and several expense, at any time, or from time to time, all acts and things which Agent may reasonably deem necessary to protect, preserve or realize upon the Collateral and Agent's security interest therein in order to effect the intent of this Security Agreement, all as fully and effectively as Grantors or any Grantor might do.

(b) Agent and Lenders agree that, except upon the occurrence and during the continuation of an Event of Default, Agent shall not exercise the power of attorney or any rights granted to Agent pursuant to this **Section 6**. Each Grantor hereby ratifies, to the extent permitted by law, all that said attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted pursuant to this **Section 6** is a power coupled with an interest and shall be irrevocable until the Secured Obligations are completely and indefeasibly paid and performed in full.

(c) The powers conferred on Agent and Lenders hereunder are solely to protect Lenders' interests in the Collateral and shall not impose any duty upon Agent or Lenders to exercise any such powers. The Agent and Lenders shall have no duty as to any Collateral,

including any responsibility for (a) taking any necessary steps to preserve rights against other parties or any other rights pertaining to any Collateral or (b) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relative to any Investment Property, whether or not the Agent has or is deemed to have knowledge of such matters. Without limiting the generality of the preceding sentence, the Agent shall be deemed to have exercised reasonable care in the custody and preservation of any of the Collateral if it takes such action for that purpose as any Grantor reasonably requests in writing at times other than upon the occurrence and during the continuance of any Event of Default. Failure of the Agent to comply with any such request at any time shall not in itself be deemed a failure to exercise reasonable care. Agent and Lenders shall be accountable only for amounts that they actually receive as a result of the exercise of such powers and neither Agent nor any Lender nor any of their officers, directors, employees, agents or representatives shall be responsible to any Grantor for any act or failure to act, except for Agent's or such Lenders own gross negligence or willful misconduct.

(d) Each Grantor also authorizes Agent, at any time and from time to time upon the occurrence and during the continuation of any Event of Default, to (i) communicate in its own name with any party to any Contract with regard to the assignment of the right, title and interest of such Grantor in and under the Contracts hereunder and other matters relating thereto and (ii) execute, in connection with the sale of Collateral provided for in **Section 7** hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(e) If any Grantor fails to perform or comply with any of its agreements contained herein and Agent or Lenders, as provided for by the terms of this Security Agreement, shall perform or comply, or otherwise cause performance or compliance, with such agreement, the reasonable expenses, including attorneys' fees of Agent or any Lenders incurred in connection with such performance or compliance, together with interest thereon at the rate then in effect in respect of the Loans, shall be payable by Grantors, jointly and severally, to Agent on demand and shall constitute Secured Obligations secured hereby.

## **7. Rights and Remedies Upon Default.**

(a) If any Event of Default shall occur and be continuing, Agent and Lenders may exercise in addition to all other rights and remedies granted under this Security Agreement, the Credit Agreement, the other Loan Documents and under any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, each Grantor expressly agrees that in any such event Agent, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon such Grantor or any other person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the UCC and other applicable law), may (i) reclaim, take possession, recover, store, maintain, finish, repair, prepare for sale or lease, ship, advertise for sale or lease and sell or lease (in the manner provided for herein) the Collateral, and in connection with liquidation of the Collateral and collection of the accounts receivable pledged as Collateral, use any Trademark, trade name, trade style, Copyright, or process used or owned by any Grantor; and (ii) forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and may

forthwith sell, lease, assign, give an option or options to purchase or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof, in one or more parcels at public or private sale or sales, at any exchange or broker's board or at any of Agent's offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. To the extent such Grantor has the right, each Grantor authorizes Agent, on the terms set forth in this **Section 7**, to enter the premises where the Collateral is located, to take possession of the Collateral, or any part of it, and to pay, purchase, contest, or compromise any encumbrance, charge, or lien which, in the opinion of Agent, appears to be prior or superior to its security interest. Agent or any Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of said Collateral so sold, free of any right or equity of redemption, which equity of redemption such Grantor hereby releases. Each Grantor further agrees, at Agent's request, to assemble the Collateral and make it available to Agent at places which Agent shall reasonably select, whether at such Grantor's premises or elsewhere. Agent shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale as provided in **Section 7(e)** hereof, each Grantor remaining liable for any deficiency remaining unpaid after such application, and only after so paying over such net proceeds and after the payment by Agent of any other amount required by any provision of law, including Section 9504(1)(c) of the UCC, need Agent account for the surplus, if any, to Grantors. Such surplus shall be paid over to Designated Grantor for the benefit of Grantors or to whomsoever may be lawfully entitled to receive the same. Agent and Lenders shall, in no event, be required to pay, in the aggregate taking into account all other payments made to any Grantors under this **Section 7(a)**, more than the total value of such surplus, as reasonably determined by Agent, and Agent and Lenders shall not be responsible for the apportionment or payment of any surplus to any Grantor except to the Designated Grantor pursuant to this **Section 7(a)**. To the maximum extent permitted by applicable law, each Grantor waives all claims, damages, and demands against Agent or Lenders arising out of the repossession, retention or sale of the Collateral except such as arise out of the gross negligence or willful misconduct of Agent or any such Lender. Grantor agrees that Agent need not give more than ten (10) days' notice (which notification shall be deemed given when mailed or delivered on an overnight basis, postage prepaid, addressed to Designated Grantor at its address referred to in **Section 5.11(b)** hereof of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. Each Grantor, jointly and severally, shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Agent and Lenders are entitled, each Grantor also being liable for the reasonable fees of any attorneys employed by Agent or Lenders to collect such deficiency.

(b) Each Grantor, jointly and severally, also agrees to pay all reasonable fees, costs and expenses of Agent and Lenders, including, without limitation, reasonable attorneys' fees, incurred in connection with the enforcement of any of Agent's or any Lenders' rights and remedies hereunder.

(c) Upon the Agent's request, each Grantor agrees to promptly execute assignments of such Grantor's entire right, title and interest in and to each of the Patents, Trademarks, Copyrights and Licenses. Such assignments shall be in form and content which is recordable in the United States Patent and Trademark Office or Copyright Office, as applicable, and otherwise reasonable acceptable to the Agent.

(d) Each Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

(e) The Proceeds of any sale, disposition or other realization upon all or any part of the Collateral shall be distributed by Agent in the following order of priorities:

*First*, to Agent in an amount sufficient to pay in full the reasonable costs of Agent and Lenders in connection with such sale, disposition or other realization, including all reasonable fees, costs, expenses, liabilities and advances incurred or made by Agent or Lenders in connection therewith, including, without limitation, reasonable attorneys' fees;

*Second*, to Agent in an amount equal to the then unpaid principal of and accrued interest on the Secured Obligations;

*Third*, to Agent in an amount equal to any other Secured Obligations which are then unpaid; and

*Finally*, upon payment in full of all of the Secured Obligations, to the Designated Grantor or its representatives or as a court of competent jurisdiction may direct.

**8. Grant of License to Intellectual Property.** For the purpose of enabling Agent to exercise the rights and remedies under **Section 7** hereof at such time as Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants to Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sublicense any Copyright, Patent or Trademark, and to exercise any rights held by such Grantor under any Intellectual Property License or sublicense, now owned or hereafter acquired by such Grantor, or in which any Grantor now holds or hereafter acquires any interest and wherever the same may be located, and including, without limitation, in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer and automatic machinery software and programs used for the compilation or printout thereof.

**9. Limitation on Agent's and Lenders' Duty in Respect of Collateral.** Agent and Lenders shall be deemed to have acted reasonably in the custody, preservation and disposition of any of the Collateral if Agent or Lenders comply with the obligations of a secured party under Section 9207 of the UCC.

**10. Reinstatement.** This Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's property and assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or

returned by any obligee of the Secured Obligations, whether as a “voidable preference,” “fraudulent conveyance,” or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Secured Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

## **11. Miscellaneous.**

**11.1 Notices.** Any notice or other communication hereunder to any party shall be addressed and delivered (and shall be deemed given) in accordance with the Credit Agreement.

**11.2 Severability.** Any provision of this Security Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

**11.3 Headings.** The various headings in this Security Agreement are inserted for convenience only and shall not affect the meaning or interpretation of this agreement or any provisions hereof.

### **11.4 No Waiver; Cumulative Remedies.**

(a) Neither Agent nor any Lender shall, by any act, delay, omission or otherwise, be deemed to have waived any of its respective rights or remedies hereunder, nor shall any single or partial exercise of any right or remedy hereunder on any one occasion preclude the further exercise thereof or the exercise of any other right or remedy Agent or Lenders.

(b) The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights and remedies provided by law.

(c) None of the terms or provisions of this Security Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by each Grantor and Agent on behalf of Lenders.

**11.5 Joint and Several Liability.** Each Grantor agrees that the liability hereunder shall be the immediate, direct, and primary obligation of such Grantor and shall not be contingent upon Agent’s or any Lender’s exercise or enforcement of any remedy it may have against any other Grantor or any other Person, or against the Collateral or any other security for the Secured Obligations. Without limiting the generality of the foregoing, this Security Agreement and the Secured Obligations shall remain in full force and effect without regard to and shall not be impaired or affected by, nor shall any Grantor be exonerated or discharged by, any of the following events:

(a) Insolvency, bankruptcy, reorganization, arrangement, adjustment, composition, assignment for the benefit of creditors, death, liquidation, winding up or dissolution of any other Grantor or any guarantor of the Secured Obligations;

(b) Any limitation, discharge, or cessation of the liability of any other Grantor or any guarantor for the Secured Obligations due to any statute, regulation or rule of law, or any invalidity or unenforceability in whole or in part of the documents evidencing the Secured Obligations or any guaranty thereof or any other security agreement or pledge agreement related thereto;

(c) Any merger, acquisition, consolidation or change in structure of any Grantor or any guarantor of the Secured Obligations or any sale, lease, transfer or other disposition of any or all of the assets or shares of any Grantor or any guarantor of the Secured Obligations;

(d) Any assignment or other transfer, in whole or in part, of Agent's or any Lender's interests in and rights under this Security Agreement, the Credit Agreement or any of the other Loan Documents, including, without limitation, Agent's or any Lender's right to receive payment of the Secured Obligations or any assignment or other transfer, in whole or in part, of Agent's or any Lender's interests in and to the Collateral or any other collateral securing the Secured Obligations;

(e) Any claim, defense, counterclaim or setoff, other than that of prior performance, that any Grantor or any guarantor of the Secured Obligations may have or assert, including, but not limited to, any defense of incapacity or lack of corporate or other authority to execute any documents relating to the Secured Obligations, the Collateral, or any other collateral securing the Secured Obligations;

(f) Agent's or any Lender's amendment, modification, renewal, extension, cancellation or surrender of any agreement, document or instrument relating to the Credit Agreement, this Security Agreement, the Secured Obligations, the Collateral or any other collateral securing the Secured Obligations, or Agent's or any Lender's exchange, release, or waiver of any Collateral or of any other collateral securing the Secured Obligations;

(g) Agent's or any Lender's exercise or nonexercise of any power, right or remedy with respect to the Secured Obligations, the Collateral or any other collateral securing the Secured Obligations, including, but not limited to, Agent's or any Lender's compromise, release, settlement or waiver with or of any Grantor or any other Person;

(h) Agent's or any Lender's vote, claim, distribution, election, acceptance, action or inaction in any bankruptcy case related to the Secured Obligations, the Collateral or any other collateral securing the Secured Obligations; and

(i) Any impairment or invalidity of the Collateral or any other collateral securing the Secured Obligations or any failure to perfect any of Agent's or any Lender's Liens thereon or therein.

**11.6 Grantor Reliance.** Each Grantor acknowledges that it has, independently of and without reliance on Agent or any Lender, made its own credit analysis of each other Grantor and the Collateral granted to Agent and Lenders under the Loan Documents, performed its own legal review of this Security Agreement, the Loan Documents and all related filings and is not relying on Agent or any Lender with respect to any of the aforesaid items. Each Grantor

has established adequate means of obtaining from each other Grantor, on a continuing basis, financial and other information pertaining to such Grantors' financial condition and the value of the Collateral and status of Agent's and Lenders' Liens on and in such Property. Each Grantor agrees to keep adequately informed from such means of any facts, events or circumstances which might in any way affect such Grantor's risks hereunder, and each Grantor further agrees that Agent and Lenders shall have no obligation to disclose to such Grantor information or material with respect to any other Grantor or the Collateral acquired in the course of Agent's or any Lender's relationship with any Grantor. Agent and Lenders make no representation, express or implied, with respect to the Collateral or their interest in, or the priority or perfection of their Liens on and in the Collateral. Each Grantor acknowledges that its obligation hereunder will not be affected by (a) Agent's or any Lender's failure properly to create a Lien on or in the Collateral, or any of it, (b) Agent's or any Lender's failure to create or maintain a priority with respect to any Lien purported to be created in the Collateral, or any of it, or (c) any act or omission of Agent or any Lender (whether negligent or otherwise) which adversely affects the value of the Collateral or Agent's or any Lender's Lien therein or thereon or the priority of such Lien.

### **11.7 Waivers.**
